

COVID-19 UPDATED APPOINTMENT PROTOCOL

Please contact Katilyn Boyer at katilyn3@gmail.com or www.katilynboyer.com with any questions or concerns.

Clients,

Until further notice here is the new appointment protocol. All clients must adhere to this protocol unless discussed otherwise. It is important for everyone's safety.

- Remain in your car until your artist texts/calls you to come in. For appointments where the artist comes to you, this is at your discretion.
- Bring only your car keys, phone, and payment. No purses or bags.
- Facial coverings with ear loops must be worn at all times unless you're getting your makeup done. Please still bring a facial covering to wear when moving around the salon.
- Do not bring anyone to your appointment. Exceptions will be made if caregivers are required.
- For children's appointments, if possible, send child in alone and we will bring them out to you when they're done. We're moms, we got you!
- 6ft social distancing rules applies with the exception of client/artist.
- For appointments where the artist comes to you, please refrain from touching any of the products that the artist brings. This includes not allowing others to touch the products as well.
- For appointments where the artist comes to you, please make sure there is a sink/bathroom available.
- If you are symptomatic or been around anyone who is or has been in the last 14 days you must reschedule. Please respect others.

MOST IMPORTANTLY be patient and positive! This is new for everyone and we insist on respect and support for every one of our clients and technicians.

Thank you for your patience and understanding!
